

UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF MICHIGAN – EASTERN DIVISION

In re:  
Doshia Marie Banks,  
  
Debtor.

Case No. 25-45106  
Chapter 13  
Judge: Maria L. Oxholm

**Subject:** Urgent Medical Unavailability – In re Banks, Case No. 25-45106 – Hearing  
Set for June 22, 2025

**To:** Clerk of the Court

Judge M. Oxholm

**Cc:** U.S. Trustee; Chapter 13 Trustee; Movant's Counsel

**Date:** June 22, 2025

I am the pro se debtor in the above-referenced case. I received an email regarding a hearing. I didn't see the email until today, (June 22, 2025) in where first became aware—via CM/ECF e-mail—of a new hearing scheduled for June 22, 2025 regarding the Motion for Relief from Stay and In Rem Relief.

Unfortunately, I am still under my physician's ongoing care following and remain in a recovery phase that impairs my comprehension and concentration. My doctor has advised against court appearances until at least July 10, 2025. Because of these medically limitations, I will be unable to prepare for or attend the June 22 hearing.

Pursuant to:

- Fed. R. Bankr. P. 9006(b)(1) (enlargement of time for "cause shown"),
- Local Rule 9014-1(c) (E.D. Mich.) (requiring 14-day notice absent court-ordered expedited procedure), and
- Due-process case law (*Mullane v. Central Hanover Bank*, 339 U.S. 306 (1950); *In re Parker*, 634 F.3d 808 (5th Cir. 2011)),

I respectfully request the Court excuse my appearance and adjourn or convert the June 22 hearing to a later date (or remote format) after my physician releases me.

I have copied this email to notify the Chapter 13 Trustee and Movant's counsel of my condition and requested their consent. I will promptly file a formal Emergency Motion to Adjourn Hearing for Medical Cause with supporting medical documentation, but I did not want the Court to believe I was ignoring the notice.

Thank you for bringing this urgent matter to Judge Oxholm's attention. Please advise if any additional information is required.

Respectfully,

---

**/s/Doshia Marie Banks**

Debtor, *pro se*
